MESSAGE FOR GUESTS

We have always dreamed of having an adventure in the Tahitian Islands, and what better way to do it than for our honeymoon! Through the years we have accumulated most of the traditional household goods and wanted to be more creative for your wedding. We want your contribution towards our special day to last a lifetime...memories of an amazing honeymoon and start to our marriage!! Thank you for all your love and support. We look forward to seeing you at the wedding! Love, Lauren and Ben
